E. Salary and Extra Pay

For the purpose of this section, “salary” means those categories of salary and PERS reportable extra pay as set forth in Section XXVII Subsection B.

F. Employee PERS Contribution

1. Unit employees contribute approximately nine percent (9%) of their salary, including holiday-in-lieu pay and uniform allowance and extra pay, exclusive of overtime and reimbursement compensation. The contribution rate for the unit employees is governed by State legislation.
2. Effective July 16, 1989 the six percent (6%) of the nine percent (9%) of the unit employees' PERS contribution, which prior to July 16, 1989 was paid for by the City, will no longer be paid for by the City. Effective July 16, 1989, the previously City-paid for six percent (6%) PERS contribution and an additional three percent (3%) for the total of nine percent (9%) will be converted to the unit employees'

4. Should Federal and State laws and regulations require the withholding of personal income taxes, the City will withhold such income taxes which are applicable.
5. Effective July 16, 1989 the City shall "pick up" the unit employees' required PERS contribution. This "pick up" shall be in accordance with Section 414(h) 2 of the Internal Revenue, whereby unit employee contributions shall be tax deferred (not subject to taxation until time of constructive receipt).

6. AB 340 (the California Public Employees' Pension Reform Act of 2013,) as it may from time to time exist, shall in its entirety be given full force and effect during and after the adoption of this agreement. Any provision in this agreement which contradict any provision of AB 340 shall be deemed null and void, with the contrary AB 340 provision(s) being given full force and effect. Therefore, no provision of AB 340 shall be deemed to impair any provision of this agreement or any MOU, Agreement, Rule or Regulation predating this agreement.

"New members" as defined by AB 340 on and after January 1, 2013, shall individually pay an initial Member CALPERS contribution rate of fifty percent (50%) of the normal cost rate for the Defined Benefit Plan effective July 1, 2013 in which said new member is enrolled, rounded to the nearest quarter of one percent (1%), or the current contribution rate of similarly situated employees, whichever is greater (AB 340 – Government code section 7522.30).

G. Employee Contribution to Employer Contribution Rate – Pre-Tax

The City has retained specialized legal counsel in order to render a written opinion as to whether or not said employee contributions to the employer-side contribution requirement can be considered on a "pre-tax" basis. The rendered legal opinion is, in the opinion of the Office of the City Attorney, supportive of City treatment of said contributions as "pre-tax"; therefore, the City has undertaken the steps, including adoption of appropriate City Council resolution(s), necessary to allow the Payroll Section to treat these distributions as "pre-tax". However, it is expressly agreed to and understood by the parties that the City itself has no authority or jurisdiction by which to bind the IRS, the Franchise Tax Board, or any other agency to a determination that said contributions are indeed "pre-tax". Thus, the parties agree and acknowledge that the City shall have no liability to any individual unit employee, should a taxing agency or other administrative body reject treatment of said contributions as being "pre-tax".

GRIEVANCE PROCEDURE/REVIEW BOARD

I. CITY'S GRIEVANCE PROCEDURE - REPRINTING

Unit employees who need to resolve a dispute relating to work related matters may utilize the City's grievance procedure, provided that the subject matter of that grievance falls within the definition of a grievance, provided in the following section. The City's Grievance procedure is reprinted from the City's Employer-Employee Relations Ordinance here solely for the convenience of unit employees and Police Management and the fact that it is reprinted here is not intended to add or detract from its status as a City-wide grievance procedure, and is not a formal part of this Memorandum of Understanding.

II. GRIEVANCES

A. Definition

A grievance is any dispute concerning the interpretation or application of this Ordinance, or of this MOU or of an ordinance resulting from a memorandum of understanding, or of rules or regulations governing personnel practices or working conditions.

B. Grievance - Informal - Verbal

When a unit employee feels he/she has been unfairly treated or does not agree with his/her supervisor on policy interpretation, he/she may initiate formal action to secure review of the grievance by top management. Such action should be used, however, only after informal appeal through discussion with the immediate supervisor has not been successful. It is the spirit and intent of this procedure that all grievances be settled quickly and fairly, without any subsequent discrimination against unit employees who may seek to adjust a grievance, real or imagined.

C. Grievance – Formal / Written

If the informal answer given by the unit employee's supervisor is not satisfactory, the unit employee may appeal his/her grievance in the following manner:

1. Step I - Supervisor

Within fourteen (14) calendar days following the occurrence of the alleged grievance, the unit employee will present his/her views to his/her supervisor on a grievance form, in duplicate, obtainable from the Human Resources Department. The supervisor will, within seven (7) calendar days, enter his/her decision and the reasons for it and return it to the unit employee. If the unit employee is not satisfied with the answer given, he/she may appeal as follows:

2. **Step II - Department Head**

Within seven (7) calendar days of receipt of the supervisor's answer, the unit employee will forward the grievance to his/her division head. The department head will, within seven (7) calendar days, enter his/her decision, the reasons for it, and return it to the grievant. If the unit employee is not satisfied with the decision, he/she may appeal as follows:

3. **Step III - City Manager**

Within seven (7) calendar days of receipt of the department head's answer, the unit employee will forward the grievance to the City Manager. The City Manager will, within seven (7) calendar days, enter his/her decision, the reasons for it and return it to the unit employee. The decision of the City Manager is final and binding on all parties.

D. **General**

1. **Time Limits**

If the time limit at any step should elapse, the decision rendered at the previous step will be understood to have been accepted. For example, if an employee does not forward a Step I decision to Step II within seven (7) calendar days, it is understood that he/she has accepted the Step I decision and the matter is closed. Time limits may be extended by mutual consent.

2. **Grievance Settled - Form Distribution**

When a grievance is settled, the employee will keep the duplicate of the form and the original will be placed in the grievance file in the Human Resources Department.

3. **Representation**

A unit employee utilizing this procedure may be represented or assisted by, not to exceed three, authorized representatives in the preparation, presentation and hearing of a grievance. The supervisor, department head and City Manager may also be accompanied by other persons in conferences or hearings. Witnesses may be called and questioned by both parties.

4. **Time of Hearings**

All grievances will be heard during working hours if practicable. Aggrieved unit employees, their representatives, and all witnesses will be given reasonable time off without loss of pay, vacation or other time credits for the purpose of presenting grievances.

5. **Grievances - Non-Appealable to Civil Service Commission**

The grievance procedure is not intended as a means of appealing actions under the jurisdiction of the Civil Service Commission.
